## JUNE THORNBURY HARBOUR NEWSLETTER

### **WE WANT TO SAY HI!**

This Summer you will notice that our staff at the harbour will be stopping by to say hi more frequently. We want to get to know you so if one of our staff stop by and introduce themselves take a minute to say hi. We wear red TBM shirts and hats, keep an eye out and feel free to reach out to us if we don't see you!

### **CONTRACTORS ON YOUR BOAT**

This is just a reminder that when you have a contractor work on your boat please ask them to notify harbour staff ([harbour@thebluemountains.ca](mailto:harbour@thebluemountains.ca)) and ensure that they have provided us with a certificate of insurance. Any contractor working on municipally owned property (even just travelling the dock to your boat) must provide the Town with a certificate of insurance.

### **OPERATION DRY WATER**

Operation Dry Water is an initiative by CSBC (Canadian Safe Boating Council) to raise awareness about the effects of consuming alcohol and operating a vessel, as well as the legal requirements to consume alcohol on the water. For more information, please follow this link. <http://csbc.ca/en/operation-dry-water>

### **HARBOUR STAFF**

This year you will recognize some faces and notice some new faces. Jason Hindle, Connor O'Hara and Alex Johnston are returning for another full season! Graham Potter was with us for a couple of months in the fall and has accepted the position of harbour operator for the 2017 season. Graham started in May and will be with us until the end of October. Kenny Dinsmore will be joining us July 4. Kenny is a first year harbour summer student and will be with us until September.
