NOTICE Open Air Burning

Effective December 1, 2015, The Blue Mountains Fire Department will no longer monitor open air burning or the use of consumer fireworks. Guidelines for “open air burning” are posted on the Town website and the use of consumer fireworks shall be in accordance with manufacturer’s instructions.

In the event the Fire Department is requested to respond to an “open air burning” related incident, and the burning is not within the suggested guidelines, user fees in accordance with By-law 2014-3 Emergency Response Services D.3 may be issued to the property owner.

Complaints relating to open air burning should be directed to the Blue Mountains By-law Department 519-599-3131 extension 249.
Dial 911 for all other fire related emergencies.
