

To: Blue Mountain Council,

We have recently been advised that Blue Mountain is planning to build a 200 plus parking on Scenic Caves Road.

We are EXTREMELY concerned with this application and the lack of information from the Town and Blue Mountain Resort. 400 feet radius is completely unacceptable in rural setting and does not fully advise the people that are directly impacted by the application process.

Regards,

The Boyer Family  
[REDACTED] Scenic Caves Road
