Subject: picture

Attention: Town Council

I am writing this letter in regards to the picture where Arthur Lapointe was in the town parade.

It was painted by our friend Bill Hartman and we were happy it ended up in the town hall. Since then it's be moved to a museum.

We were disappointed at that decision and are hoping you would consider hanging it back in the town hall again. Arthur had said he doesn't want to be hung in a museum!!

That picture means a lot to the family as in that parade as a Town Cryer it started his career as one and made Thornbury well known in many places, England, being one.

I hope you will consider that family request.

Thank you

Beverly Lapointe [REDACTED]
