

Notice of Public Information Centre
Hidden Lake Road Area, Town of The Blue Mountains
Road System, Water and Wastewater Servicing
Class Environmental Assessment Study

The Town of The Blue Mountains is undertaking a Municipal Class Environmental Assessment to assess alternatives for the road system and the provision of water and wastewater servicing in the area of Hidden Lake Road, the Alta development lands and along Highway 26.

The Study has considered alternatives to:

- Improve Hidden Lake Road and establish a future road network to Phase 2 of the Alta development.
- Extend the water distribution system to unserviced areas and improve fire protection and system reliability within the Study Area.
- Determine wastewater servicing means within the Study Area.

The Study is being carried out in accordance with the planning and design process for a Schedule B project as outlined in the Municipal Engineers Association Municipal Class Environmental Assessment document.

Public Information Centres are being held to provide an opportunity for the public to review and provide input on the roads, water and wastewater alternatives under consideration. There will be a presentation followed by a question and answer period. Representatives from the project team will be present to answer questions on the Study.

Date:	Thursday, November 2, 2017	and	Saturday, November 4, 2017
Time:	6:00 – 8:00 PM		10:00 AM - Noon
Presentation:	6:30 PM		10:30 AM
Location:	Council Chambers, 32 Mill Street, Thornbury, ON N0H 2P0		

Written comments are invited and must be received by November 20, 2017 to be considered in the study. The information presented at the PIC will be posted on the following webpage: <http://thebluemountains.ca/hiddenlakeea.cfm>. Comments and requests for information regarding this project should be submitted to:
