Notice of Complete Application and Notice of Public Meeting

Applications for Major Redline Revision and Zoning By-law Amendment

TAKE NOTICE that the Town of The Blue Mountains has received an Application for a Zoning By-law Amendment and the County of Grey has received a proposed redline revision to an existing draft approved plan of subdivision.

Property Location: Collingwood Con. 1 Pt Lt 18 RP 16R-8591, Part 1

**Public Meeting: February 21, 2018 at 5:00 PM
Town Hall, Council Chambers
32 Mill Street, Thornbury, ON**

What is being proposed?

The purpose and effect of the application is to amend draft approved subdivision 42T-89009 to allow changes to the lot layout and eliminate a multi-residential block draft approved for 25 townhouse units. These changes are requested to accommodate adjustments to proposed on-site stormwater management facilities. A total of 32 single detached residential lots are proposed.

The application for Zoning By-law Amendment proposes to revise the current configuration of the Open Space 'OS2' and Residential (R3) zones on the property to reflect the proposed redline revisions to the draft plan. The changes will result in additional open space areas to accommodate stormwater management facilities and will remove the multi-residential townhouse block. A Residential Exception (R3-X-h) zone is proposed for the lots abutting the golf course to provide a 15m buffer to future dwellings. The Holding 'h' symbol is being considered to ensure that the development does not proceed until a Subdivision Agreement has been executed and the Plan of Subdivision is registered.

A Key Map and a plan showing the proposed revised lot layout and zoning for the subject lands is included on the final page of this Notice.
