Subject: Single Use Plastic

To: Corrina Giles <[REDACTED]@thebluemountains.ca>

I want to wholeheartedly support the motion going to council to ban single use plastic bags, straws, stir sticks and water bottles. Given the plethora of plastic, getting rid of these 4 items seems such a simple task. My residence is in Grey Highlands but I live most of my life in Thornbury. I was a member of the first Steering Committee for the Sustainable Path and I am passionate about the environment. The current recycling patterns are not efficient and we need to Rethink and Refuse before we Reduce and Reuse. Recycling is the last "R".
