

Sandy MccAuley

I would like to propose approval of purchase of a poster for advertising the TBM at various promotional activities.

Discussion if we can use in house funding or outsource with a few quotes.

Every other region has one. These are some examples:

**See

Future
In
West
Grey**

**Enjoy life in
the great
outdoors**

**West Grey -
Nestled
in Nature**

**Durham and Community Health
Care Foundation**
