- Clearview Township Mayor, Doug Measures

- Municipality of Grey Highlands Councillor, Tom Allwood

B. Overview

This report outlines the proposed revisions to the Terms of Reference for the Town’s Joint Municipal Physician Recruitment and Retention Committee (“the Committee”) and acknowledges the appointments of three additional committee members from neighbouring municipal councils.

C. Background

The Joint Municipal Physician Recruitment and Retention Committee (“the Committee”) is an advisory committee of the councils of participating towns or municipalities for matters related to the development, implementation and progress monitoring of a sustainable solution for the recruitment and retention of Primary Care Physicians for the Committee membership catchment population.
As a committee of Council, the Committee is required to have a Terms of Reference document that outlines the ways in which the Committee functions and works towards accomplishing common goals.

D. Analysis

Until recently, the Committee had not secured membership from neighbouring municipal councils apart from the Town of The Blue Mountains. Within the past six months, the Committee has increased to include membership representatives from the Township of Clearview, the Town of Collingwood and the Municipality of Grey Highlands. Conversations regarding membership are ongoing with councils of the Municipality of Meaford and the Town of Wasaga Beach.

After undertaking deputations to neighbouring municipalities, the need arose to modify the existing Terms of Reference document for the Committee. In addition to minor housekeeping revisions, the following changes are being proposed for the Committee’s Terms of Reference:

- “Surrounding active care hospitals” reference was added to the list of stakeholders who may assist in recruitment and retention of physicians.

- A deadline of April 15, 2021 was set for the Committee to make recommendations regarding whether the services of a Physician Recruiter be retained to aid the Committee in meeting its specified mandate.

- The initial Terms of Reference document, created in 2019, required that all member municipalities contribute a budget of $25,000. This provision was removed in order to get neighbouring municipalities to agree to join the Committee.

- The frequency of providing recommendations to Councils through reports was reduced to twice per year instead of quarterly.

- The Committee composition was revised to include up to one council member (and one alternate) and up to one community member from each of the participating municipalities. The composition also now includes a chair and a vice chair position that will rotate annually after November 21, 2022.

- The Committee also expanded the non-voting membership to include local, practicing or retired, family physicians to act in an advisory capacity for the Committee.

- Committee agendas will now be set by the chair and vice chair, not the chair and the Town of The Blue Mountains’ Chief Administrative Officer.

The Committee is requesting Council’s endorsement of the revised Terms of Reference (Attachment 1) and acknowledgement of the appointments of the three neighbouring municipal council members.
