C. Matters for Discussion

C.1 Update ROMP Event at Blue Mountain February 2020 – June Porter (verbal update)

June Porter and Andrea Matrasovs attended the ROMP event that took place at Blue Mountain. June noted that the resident turn out was lower than at previous events. June also noted that there were two municipalities at the event that were not represented by paid recruiters – Wasaga Beach and the Town of The Blue Mountains. June thanked Town staff for providing Town promotional material that was provided to the residents who attended the event.

June noted that Health Force Ontario provided a list of Physician Recruitment Events that will be taking place in 2020. Andrea noted that she would like to see the costs (including registration fees, travel and time considerations) associated with each of the recruitment events the committee is considering taking part in to ensure there is adequate budget to participate.

Moved by: Andrea Matrosovs Seconded by: Sandy Macaulay

THAT a sub-committee, comprised of June Porter and Sandy Macaulay, be created to enhance the 2020 Physician Recruitment Events spreadsheet, as provided by Health Force Ontario, to promote a comprehensive cost-benefit analysis regarding consideration for attendance by representatives of the Joint Municipal Physician Recruitment and Retention Committee, CARRIED.

June noted that a precedent has been set with regards to other municipalities partnering with their neighbouring municipalities to enlist physician recruiters.
June reported that a well known recruiter, David Gravelle, has invited physician recruiters to participate in the Canadian Association of Staff Physician Recruiters (CASPR) group meeting where recruiters can share best practices. Proposed dates for one of the upcoming meetings is during the week of March Break. Andrea noted that the opportunity to be a part of the CASPR program will be very beneficial for The Blue Mountains.

June noted that the information sharing that occurred during the event was very valuable and will assist in the committee’s successful participation in future recruitment events.

Moved by: June Porter    Seconded by: Sandy Macaulay

THAT more information be compiled regarding the Canadian Association of Staff Physician Recruiters (CASPR) program;

AND THAT this information be brought back to the Joint Municipal Physician Recruitment and Retention Committee, CARRIED.

C.2 Update ROMP Discovery Week July 2020 – June Porter (verbal update)

June confirmed that she has connected with the OPP, The Blue Mountains Fire Services, Director of Grey County EMS and Meaford Hospital with regards to an afternoon event during Discovery Week. June noted that Grey Bruce generally hosts four Western University students and that they prefer that the students travel together during these events. June noted that the OPP will not be participating and that confirmation is still outstanding from Fire Services and EMS. June noted that she will bring back event budgetary information for consideration by the Committee.

C.3 Committee Structure Discussion – Andrea Matrosovs/Rob Potter

The Committee reviewed the direction received from Council regarding reviewing Committee structure and mandate;

THAT Council request that the Joint Municipal Physician Recruitment and Retention Committee provide input to Council regarding the mandate of the Committee moving forward, including the option to move to a “Community Committee” in consultation with the North East Grey Health Clinic that includes The Blue Mountains staff representative, or to continue status quo as a Committee of Council, Carried.

Andrea clarified that each Committee of Council was asked to perform this structure and mandate review. Andrea also noted that although a Community Committee structure would make sense eventually, it would be prudent to defer this decision until after the deputations to neighbouring municipalities have been received and responded to.
C.4 **Update North East Grey Health Clinic – June Porter (verbal update)**

June reported that there has been no meeting since the last Committee meeting and that no update is available at this time. Sandy noted that the next board meeting is scheduled to take place on May 19, 2020 and that one of the agenda items will be updating the existing website to help attract physicians. It was confirmed that the North East Grey Health Clinic Board meets four times per year.

Andrea requested that a formal list of the Task Force membership and Task Force mandate be brought to the next Committee meeting. Shawn confirmed that the Task Force membership list and Terms of Reference have been recirculated to the Committee members.

C.10  **Providing an Update to the Annual International Woman’s Day Event**  
June provided information regarding the upcoming Annual International Women’s Day event. Sandy noted an objection to the motion on the basis on the event being somewhat biased. June agreed that some of the speakers were biased, however, this event provides an opportunity to reach an audience that might not be aware of the working being performed by the Committee. Andrea confirmed that she will be attending the event on behalf of the Town of The Blue Mountains.

Andrea noted that the Town’s CAO and Manager of Communications and Economic Development need to be consulted to follow due process. Rob noted that the Committee should consider using all local media outlets available. Shawn noted that the Town’s Manager of
