Grants and Donations

September 25th 2020

P.O. Box 310

Thornbury, Ontario, N0H2P0

To the Grants and Donations Committee:

As a follow up to the sit down meal of the Oktoberfest event that was subsequently cancelled due to the immediate order of the Ontario Government needless to say we are all disappointed together.

It has been suggested that we write this letter to your committee in the hopes of regaining some of our losses that have incurred with the event being shut down so abruptly.

The last event that we partnered up on was the Lobsterfest of which we were able to raise \$1,546.25 that in which was a big boost to our account since we had been fully closed until that point.

We have since then reopened one day a week which has been successful and the new restrictions have not affected us so we are able to continue on with our one day a week business.

Any donation this committee decides to donate to our organisation will be greatly appreciated and will be put to good use in our efforts to support our community and our Veterans, their families and their needs.

Thank you all for your considerations.

Shawn McKinlay

President Royal Canadian Legion Branch 281 Beaver Valley
