### B. Overview

---

This report provides the details of a request for relief from the provisions of the Noise By-law for Council’s consideration.

### C. Background

---

The Town is in receipt of a request from the organizer of the subject event for relief from the provisions of the Noise By-law (Attachment 1) for an annual charitable slo-pitch baseball tournament on Saturday September 15, 2018 at 76 Victoria Street South (Moreau Park) from 7:00 a.m. to 10:00 p.m., with noise from crowds/cheering and announcements over a loudspeaker.

Touch of Taryn Foundation had a similar Noise By-law exemption request in 2017 and Council resolved to grant the exemption as requested; from 8:00 a.m. to 10:30 p.m. By-law Enforcement did not receive any complaints related to the event in 2017.

Section 3e) of the Noise By-law permits the making of noises or sounds related to the non-residential use of land permitted by a by-law enacted by the municipality pursuant to the applicable Zoning By-law from 07:00 to 19:00.

It is noted that outdoor events in themselves outside of 07:00 to 19:00 are not prohibited. The making of noise is prohibited in the instance where such events are likely to disturb the peace, quiet, comfort or repose of any inhabitant.

In accordance with the procedures set out in our Policy & Procedures for Noise By-law Relief Requests, notice to the residents within 120 metres was circulated. This is to confirm that no responses were received.
