Mayor and Members of Council
Town of The Blue Mountains
On

Dear Mr. Mayor and Members of Council,

Attn: Ms. Corrina Giles

**RE: Windfall Ph 3, Town Blue Mountains
Application for H Removal Request
COW Agenda Item B.13.4, November 5th**

Our application for "h" symbol removal as above is being considered on November 5th.

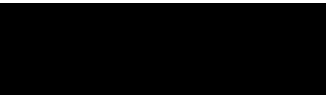

Planning Staff have dealt with this item as expeditiously as possible. Their Report is recommending removal of the "h" symbol and is consistent with several previous reports addressing the same process for Phase 1, Phase 2A, 2B and, 2C.

Both Windfall and Town Staff are working diligently toward enabling the continuation of construction for Phase 3. The Subdivision Agreement has been signed by Windfall. The final M-Plan is with Grey County. We fully expect registration within four to six weeks.

In the meantime, normal process will see ratification of the above-noted COW item on November 19, 2018. Unfortunately, this represents a two-week time frame that could seriously jeopardize much needed home construction progress at a weather sensitive time of year.

Please accept this letter as our request for this item, if approved by COW, to be ratified at a meeting of Council prior to November 19, 2018. We request before November 9th.

Yours Truly,

Travis & Associates
Colin Travis, MCIP RPP

Cc: Nathan Westendorp, Planning Director, TBM
Travis Sandberg, Town Planner, TBM
Jonathan Best, Project Manager, Windfall
