Report Number: FAF.18.162
Subject: Report on Identification, Removal, and Prevention of Barriers from the 2018 Municipal and School Board Election as per s.12(3) of the *Municipal Elections Act, 1996*
Prepared by: Corrina Giles, Town Clerk

A. Recommendations

THAT Council receive Staff Report FAF.18.162, entitled "Report on Identification, Removal, and Prevention of Barriers from the 2018 Municipal and School Board Election as per s.12(3) of the Municipal Elections Act, 1996" for information purposes.

B. Overview

This information report discusses the "identification, removal, and prevention of barriers that affect electors and candidates with disabilities" in the 2018 Municipal and School Board Election as is required by s. 12(3) of the *Municipal Elections Act, 1996*.

C. Background

Section 12(3) of the *Municipal Elections Act, 1996* ("Act") states:

"Within 90 days after voting day in a regular election, the clerk shall prepare a report about the identification, removal and prevention of barriers that affect electors and candidates with disabilities and shall make the report available to the public."

In accordance with Section 12(3), Staff offer the following overview of the identification, removal and prevention of barriers for Council's information.

D. Analysis

The Town of The Blue Mountains Election Accessibility Plan (Accessibility Plan) and the Town of The Blue Mountains Municipal Election Procedures for Use of Vote-Counting Equipment and Alternative Voting Method - Internet and Telephone Voting, (Election Procedures), provided as Attachment 1 and 2 respectively, detail how Elections Staff operated with consideration for accessibility and lend further insight into how Elections Staff ensured a barrier-free election. Sections 12 and 45 of the Act also mandate the requirement for an accessible election.

The Accessibility Plan, Election Procedures and the Act require the following:

- Elections Staff completed accessible customer service training and specific election training to ensure persons with disabilities were serviced in a way that accommodated their individual needs;
- Election information posted to the Town's website or circulated in print was created with consideration for, and adherence to, accessibility requirements;
- Help Centres established at Town Hall were available during regular and extended hours at Town Hall, 32 Mill Street Thornbury;
- LE Shore Memorial Library and Craigleith Heritage Depot functioned as technology hubs during normal hours of operation for those individuals who required a device to vote on, or access to wireless internet;
- Town Hall, the LE Shore Memorial Library and the Craigleith Heritage Depot have designated accessible parking spots, level pathways leading to facility entrances, automatic door opening devices, or were propped open in a safe manner with doors being wide enough to accommodate a wheelchair or other mobility device;
- Voting booths at Town Hall featured a wide area to allow individuals using mobility aids to vote independently and secretly;
- Voting booths included a large monitor and mouse;
- Electronic (telephone and internet) Voting provided alternate accessible formats for voting;
- Elections Staff completed Form EL11 – Appointment and Oath of an Election Official in order to assist electors upon request;
- Electors who required assistance to mark their ballots attended a designated Help Centre and verbally stated Form EL27 – Oral Oaths at Voter Help Centre. In the event the elector was unable to state the Oral Oath to Vote with Assistance, the Election personnel providing assistance would state the Oral Oath to Vote with Assistance and require the elector to affirm its veracity;
- Elections Staff attended Errinrunc Nursing & Retirement Home and Grey County Housing (Maple Villa and Lemon Court) prior to, and during the Voting Period to increase accessibility; and
- Elections Staff ensured Election Procedures were flexible yet secure to allow part-time/seasonal, and full-time residents the ability to have Voter Information Letters re-issued, or, for qualified electors to be added to the Voters' List up to and including Election Day.

The considerations noted above contributed to a barrier-free election in accordance with s.12 of the Act.

**Corrina Giles,
Town Clerk/Returning Officer**

Authority (s.42)

A by-law authorizing internet/telephone voting must be passed on or before May 1 in the year before the year of the election.

On March 6, 2017, By-law No. 2017-12 was passed by Council of the Town of The Blue Mountains authorizing the use of internet/telephone voting methods for municipal and school board elections.

In keeping with s.42 (5) voting proxies will not be used or permitted with this method of voting. In addition, the Voting Period provides for voting in advance of Voting Day commencing Friday, October 12, 2018, at 10:00 am and concluding on Monday, October 22, 2018 at 8:00 pm.

Service Provider

The service provider for internet/telephone voting is Dominion Voting Systems Inc.

System Integrity

The integrity of the voting process shall be the responsibility of the Clerk and shall be preserved by:

- ensuring that every eligible elector on the Voters' List, as amended, is sent a sealed Voter Information Letter containing the voter's unique PIN, by first class mail;
- ensuring that no one except the Clerk, or designate, can access PINs maintained by Dominion Voting Systems Inc. that match each voter's name and address; and
- providing an opportunity for eligible electors to be added to the Voters' List or to make amendments to the list, up to and including Election Day, October 22, 2018, at 8:00 pm.

System Checks

Logic and accuracy testing of the voting system will take place in advance of the poll at a date to be determined by the Returning Officer. The logic and accuracy testing session will be open to candidates.

Candidates will also be invited to attend a testing session on the day of the opening of the Voting Period at 9:30 am. Should a candidate not be available they may appoint a scrutineer.

All election officials shall take an oath of secrecy and be appointed by the Clerk as per the "Appointment and Oath of an Election Official", Form EL11.

The authorized election official will disable the elector’s assigned PIN. Upon providing proof of identity and residence as prescribed in O. Reg. 304/13 to an election official, an oath on “Application for Re-Issue of a Voter’s Information Letter (Lost and Unused)” Form EL53 shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued.
- 2) Where a person on the Voters’ List has attempted to vote and their PIN has already been used, he or she can attend the Help Centre and prove to the satisfaction of the authorized election official that they did not vote the PIN and require a new PIN. Prior to issuing a new PIN, the election official shall advise the elector that once the new PIN has been assigned, the elector must vote immediately at the Help Centre. Upon providing proof of identity and residence as prescribed in O. Reg. 304/13 to an election official, an “Application for Re-Issue of a Voter Information Letter (Used by an Impostor)” Form 53(A) shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued. Candidates – Access to “Strike Off” List

Candidates that request it will receive an electronic list daily showing the names of those electors that have cast a ballot.

Voting

Voting will commence on October 12, 2018 at 10:00 am through to October 22, 2018 at 8:00 pm.

During the Voting Period, the Help Centre will be provided with access to a telephone and/or internet. Any telephone provided at the Help Centre shall delete any display options on the telephone.

Prior to the activation of the system by the Clerk, on October 12, 2018 (10:00 am), the Deputy Returning Officer and those candidates/scrutineers in attendance shall confirm that all candidates' names are listed and that no votes have been cast. The system will not be activated until confirmation that all the counts associated with each of the candidates' names indicate a "0" total.

Candidates or their scrutineer shall be required to sign the "Activation of the Voting System" Form 60 that attests to this fact.

Eligible electors may telephone a designated toll-free number to cast their vote by using a cellular or land line, touch-tone telephone but **not a rotary dial telephone**.

Alternatively, eligible electors will be able to access a designated internet address and cast their vote. Every eligible elector shall be limited to one ballot for all races and questions, for which they are entitled to vote, through the use of voter credentials distributed by first class mail in a sealed and personalized Voter Information Letter. The voting system will allow the eligible elector to vote using a telephone or the internet. A voter must complete the races utilizing one of the two options (telephone/internet).

Prior to voting, electors will be required to confirm that they are an eligible voter, complete a security prompt and key in their voter credentials.

Once a voter has made a selection for each race or question, the voting system shall indicate the voter's choice and shall allow the voter to either confirm their selection, and cast their vote, or return to the race to change their selection. If the selection of one of the races is not confirmed the vote is not cast.

Once the voter credentials are used to complete voting and a ballot is cast, it cannot be used again and further access shall not be granted to the voting system.

The names of electors who have voted during the voting period will be provided to the Clerk electronically through the elector list management system. **It is not possible to determine how an elector has voted.**

Electors Requiring Assistance (s.52(1)4)

The election official may permit an elector who needs assistance in voting to have such assistance as the election official considers necessary.

Oral Oath to Vote with Assistance

A voter who requires such assistance to vote at the Help Centre may ask the Election Official for assistance. The Election Official shall require the voter making the request to take the Oral Oath to vote with assistance on the “Oral Oaths at Help Centre” Form EL27.

Oral Oath of Friend of Elector

In lieu of the Election official providing assistance, the voter may request that a friend accompany the voter at a Help Centre and assist the voter. Any friend assisting shall be required to take the “Oral Oath of Friend of Elector” on the “Oral Oaths at Help Centre” Form EL27. No person shall be allowed to act as a friend of more than one voter at a Help Centre.

Candidates and Scrutineers may not act in the capacity of a friend of elector.

Oral Oath of Interpreter

Where a voter requires an interpreter, such person provided by the voter, shall take the “Oral Oath of Interpreter” on the “Oral Oath at Help Centre” Form EL27, and shall translate the oaths as well as any lawful questions put to the voter.

Duplicate Voter Information Letters

Should an eligible voter receive more than one Voter Information Letter, the eligible voter may only vote **once** and must return the other Voter Information Letter to the Municipal Office and complete an “Application to Amend Voters’ List” Form EL15 to remove the duplicate name. All electors who vote more than once or who improperly use the Voter Information Letter shall be reported to the Police for further investigation as to possible corrupt practices under the Act.

Voter Information Letters returned to the Help Centre shall have the voter credentials immediately disabled in the system so that voter credentials cannot be used in the voting process. The opened Voter Information Letters will then be maintained in a secure fashion and destroyed in the same manner as all other municipal election material as provided for under s.88 of the Act.

The Clerk and the Election official shall ensure a complete audit trail is maintained of all Voter Information Letters:

- that were sent to eligible voters;
- that were returned from the Post Office;
- that were returned by an elector or other individual either opened or unopened but unused for voting purposes;
- that were set to a status that prevented them from being used to vote;
- that were re-issued to an eligible elector; and
- that were assigned by a Election official to eligible electors that have completed “Application to Amend Voters’ List” Form EL15.

PIN Procedures

Where an eligible voter has tried his/her PIN and has been unsuccessful in accessing the voting system, the Election official will determine its status, and once verified shall advise the voter that the PIN is valid and has not been used. The Election official may suggest the voter try the voter credentials again using an alternate method (telephone vs. internet) or attend at the Help Centre to obtain assistance in voting.

Where an eligible voter has tried his/her PIN and they have determined that it has already been used, the voter can present themselves at the Help Centre with proof of identity and residence as prescribed in O. Reg. 304/13 and have an Election Official confirm that the elector’s PIN has been used.

Where an eligible voter has received an incorrect Voter PIN in terms of school support, and has not voted in that race, the voter can contact the Help Centre and have the proper category applied to the existing PIN. The elector will be required to provide appropriate confirmation of eligibility and to complete “Application to Amend Voters’ List” Form EL15.

New voter credentials shall not be given out over the telephone. The voter must attend the Help Centre with proof of identify and residence as prescribed in O. Reg. 304/13 and complete the appropriate form.

Exceptions will be considered at the sole discretion of the Returning Officer when satisfied that extenuating circumstances require special accommodation. Such situations shall be documented by the Returning Officer with measures to ensure security and privacy of the elector, and integrity of the voting process.

Retirement Home or Institution

With the assistance of an Election Official a roving Help Centre will visit institutional and certain multi-residential buildings during the Voting Period.

The schedule will be provided to candidates at least one week in advance of the first roving Help Centre. Election Officials will be attending Errinrung Nursing & Retirement Home and Grey County Housing to assist electors to vote as follows:

Within 30 days after the Clerk's declaration of the results under s.55(4), a Council, or local school board may pass a resolution or, the Minister may make an order requiring a recount.

The recount is to be held within 15 days **after the resolution is passed or the order is made**. The resolution for a recount must be passed no later than Wednesday November 21, 2018. An order of the Minister must be made within the same time frame. The incoming council or local board is no longer able to make a decision on a recount.

Application to Superior Court of Justice (s.58)

A person who is entitled to vote in an election and has reasonable grounds for believing the election results to be in doubt may apply to the Superior Court of Justice for an order directing the Clerk to hold a recount.

The application must be commenced within 30 days after the Clerk's official declaration of the results under s.55(4). The court, if satisfied there are sufficient grounds, shall make an order requiring the Clerk to hold a recount. The recount is to be held within 15 days after the Clerk receives a copy of the order.

Votes for Candidates to be included in a Recount (s.56, 59)

The votes to be included in the recount are as follows:

- In a recount for a tied vote, the votes cast for candidates who are tied.
- In a recount being conducted under the authority of a council or local board resolution, the votes cast for candidates named in the resolution (all or specified candidates).
- In a recount being conducted under the authority of a court order, the votes cast for candidates named in the order (all or specified candidates).

The Clerk may include the votes for any other candidate for the same office. The practical application of this provision would be for the Clerk to include any candidate whose vote total was, in the Clerk's opinion, close enough to possibly be affected by the recount.

Persons entitled to be Present at a Recount (s.61)

- the Clerk and any other election official appointed for the recount;
- every certified candidate for the office involved;
- the applicant, if any, who applied for the recount under s.58;

The Clerk shall give notice of the recount date, time and place on "Notice of Recount" Form EL39 to the following:

- where a resolution is involved, the Council or local/school board which passed the resolution;
- the Minister when an order has been made;

Process at Recount (s.61, 62)

Once the recount process has commenced, it must continue to completion. Upon completion of the recount, the Clerk will announce the results of the recount. Persons authorized to be in attendance at the recount may also be at the announcement of the results of the recount.

Unless an application has been made for a judicial recount, the Clerk, on the 16th day after the recount is completed, will declare the successful candidate or candidates elected or will declare the result of the vote.

Continuing Tie Vote – After Recount Procedures

Pursuant to s.62(3) if the recount indicates that two or more candidates who cannot both or all be declared elected to an office have received the same number of votes, the Clerk shall choose the successful candidate or candidates by lot.

The Clerk shall write the name of each candidate on equal-sized pieces of paper. The pieces of paper are put in a container as determined by the Clerk. The Clerk shall announce prior to the draw that “the candidate to be elected shall be the candidate whose name is written on the first piece of paper I draw from the container.” The paper is pulled from the container and the candidate elected is announced.

Declaration by Clerk and Notice of Final Certified Results – s.62(4)

Unless an application has been made for a judicial recount under s. 63, the Clerk on the 16th day after the recount is completed will declare the successful candidate or candidates elected by posting the “Declaration of Recount Results” Form EL41 at the Municipal Office and on the website. Such Declaration shall be sent to everyone previously given notice of the recount.
