What is being proposed through the applications?

The County received a plan of subdivision application known as the Abbotts Subdivision (County file number 42T-2019-02) that proposes to create lots for 22 semi-detached residential dwellings. The draft

plan seeks to create 11 lots that would be further divided into 22 lots, through Part-Lot Control at a later time. Access to the lots would be from extensions of Bay Street West and Victoria Street North. The new road extensions are proposed to be a one-way road. The proposed subdivision would be serviced by municipal water and sewer services.

The effect of the zoning by-law amendment application is to rezone the subject lands from the Residential One (R1-1) zone to the Residential Two (R2) zone to permit the semi-detached dwellings.

What can I expect at the Public Meeting?

The public meeting is an opportunity for members of the public to learn more about the proposed development. Attendees have the opportunity to hear a brief presentation about the development, ask questions, and/or make statements either in favour of, or in opposition to the development.

The public meeting will take place at a Council meeting and the moderator will keep the meeting in order and allow the applicant (and their development team), the public, and members of Council to speak and ask questions. No decisions are made at this meeting, it is simply an opportunity to learn and provide feedback.

Why is this Public Meeting being held and what are your rights?

Within Ontario the planning and development process is an open and transparent process, where opinions from all individuals and groups are welcomed. By law a municipality must hold a public meeting, and this meeting is just one of your chances to learn about the development proposal and offer your opinions. Under the legislation governing this development process, which is sections 34 and 51 of the *Planning Act*, you have the following rights:

1. Any persons may attend the public meeting and/or make written or verbal representation either in support of or in opposition to the proposed zoning by-law amendment or plan of subdivision.
2. If a person* or public body would otherwise have an ability to appeal the decisions of the Town of The Blue Mountains or the County of Grey to the Local Planning Appeal Tribunal but the person or public body does not make oral submissions at a public meeting or make written submissions to Town of The Blue Mountains before the zoning by-law amendment is approved or refused, or to the County of Grey before the plan of subdivision is approved or refused, the person or public body is not entitled to appeal the decisions.
3. If a person* or public body does not make oral submissions at a public meeting or make written submissions to the Town of The Blue Mountains before the zoning by-law amendment is approved or refused, or to the County of Grey before the plan of subdivision is approved or refused, the person or public body may not be added as a party to the hearing of an appeal before the Local Planning Appeal Tribunal unless, in the opinion of the Tribunal, there are reasonable grounds to do so.
4. If you wish to be notified of the decision by the Town of The Blue Mountains in respect to the approval or refusal of the zoning by-law amendment, or the County of Grey in respect to the approval or refusal of the plan of subdivision, you must make a written request to the Town or the County, at the addresses noted on the previous page. Please note application P2832 for the zoning by-law amendment when directing comments to the Town and plan of subdivision application 42T-2019-02 when directing comments to the County.
5. If you have any questions please do not hesitate to contact County or Town staff, who would be happy to answer any questions on the matter.
