

Thornbury Municipal Harbour

Licence of Occupation

I, _____, hereby make application for a Licence of Occupation from the Town of The Blue Mountains for a water berth in the Thornbury Harbour Facility, for the purpose of docking a pleasure craft during the season. I agree the following rates will apply:

Mooring Fee: \$77.97 per foot (HST included)

Hydro Fees: \$220.35 for One 30 AMP Service (HST included)
\$440.70 for Two 30 AMP Services (HST included)

Vessel Overall Length (round to the nearest foot): _____
(including swim platforms, etc.)

Mooring Cost: \$ _____

Hydro Cost: \$ _____

Total payment for the season (including hydro service if required) is \$ _____ and is enclosed herein.

I hereby agree to accept the berth allocated to me by the Town.

I have read, understand and accept the Town's conditions contained in Schedule "A" which is hereby declared and agreed to form part of this Licence of Occupation.

Owner's Signature: _____ Date: _____

Berths will be available May 1, with termination October 31 of the current season.

A Certificate of Insurance showing the slip holder's insurance company and noting a minimum of \$1 million in coverage shall be provided to the Town. A renewal certificate must be issued upon the term renewal.

Office Use Only

Date Received: _____ Receipt Number: _____

Slip Allocation: _____

I wish to receive all future License of Occupation documents via email

Please provide the following information:

Note: All areas must be completed if you are a new customer or if any information has changed from the previous season
